

Products Meeting Domestic Preferences

Atlas offers products that meet a variety of domestic-preference requirements. We offer certain flat top screws, tappers, drillers, stitches/lap points, and fasteners (with and without washers) that meet the following:

- **Buy American Act**, as applied through contract clause *FAR 52.225-9, Buy American—Construction Materials (OCT 2022)*;
- **Trade Agreements Act**, as applied through contract clause *FAR 52.225-11, Buy American—Construction Materials under Trade Agreements (DEC 2022)*; and
- **Build America, Buy America Act**, which applies when a contract requires compliance with *2 CFR Part 184, Buy America Preferences for Infrastructure Projects*.

If you have a government-funded project covered by one of these or another domestic-preference requirement, we invite you to contact our customer service team at (800)321-6846 to obtain a list of our products that would meet your current needs.
